

FUNDRAISERS - WRISTBANDS PROGRAM

“Inflatable Fair at **NO UPFRONT COST** and **NO RISK**”

It is relatively risk free for all parties involved !

Reach your fundraising goals in an exciting and original way! Whether it's for your school, sports team booster club, church, or any other non-profit organization, we can help! We are here to help you achieve your fundraiser goals. We can help every step of the way and our job is to make your job easy and successful.

Yeepees Air Jumpers offers local Colorado Springs and surrounding areas schools, churches, organizations or any groups the unique opportunity to raise money for their entity or cause with fun inflatables. Yeepees Air Jumpers will bring out the inflatables rides to your location for no upfront cost, no delivery charge, no set up fees, no deposit, or any other hidden fees or terms. This is truly a great WIN-WIN for all parties. Your organization pays nothing for the opportunity to raise money for their cause or entity at no upfront cost. There really is no risk.

How Does it Work?

- Your school, church, organization or group picks a day (Monday-Friday) to have an inflatable Fair/Party.
- Once we confirm the date and time for your event, we will send you a pre-numbered amount of pre-sale unlimited ride wristbands. Three to four weeks before the event you start advertising and selling wristbands. A minimum of 75 wristbands must be sold in order to have the event. These unlimited ride bands are usually \$10.00 each at pre-sale and \$12.00 at the door. These ride bands give children unlimited play on all inflatables. At the end of the event Yeepees Air Jumpers and the organization split the proceeds at a pre-determined percentage rate.
- Yeepees Air Jumpers will provide some of our most popular inflatables. Type and size of inflatables will be according to how many wristbands are sold. Yeepees Air Jumpers will also provide at least 2 supervisors for a 3-5 hours event.
- The church, school, organization or group provides an attendant for each play station and to help with setting up and taking down the equipment.

- Entity can sale any additional items (Water, Chips, Sodas, Food) and make their own profits. If entity does not want to sale any other additional items, Yeepees Air Jumpers will have the right to sale any additional items but those profits will NOT be shared.

How much can the School, Church, Organization or Group Make?

Your event needs to be aggressively marketed to your target audience because profits will depend on the attendance of the event. Therefore, your event staff should plan the event well in advance, at least 3-4 weeks out.

The group/organization receives a percentage of the wristbands sales as follows:

- Selling 1-75 wristbands nets 10% of sales
- Selling 76-200 wristbands nets 20% of sales
- Selling 201-500 wristbands nets 40% of sales
- Selling 501+ wristbands nets 50% of sales

Our Awesome Fundraising Program will allow you to earn money for your group/organization, with no out of pocket expenses. We provide the wristbands and you supply the sellers.
